

It happens all the time.
You need a 42B and all you can
get your hands on is a 34C.

At Miss Vera's Finishing
School, we have bras (and every-
thing else) in every conceivable
size. So when it comes to cross
dressing, we're equipped to give
you all the support you need.

Our experienced faculty
will work with you in one-on-one
classes at our Manhattan campus.
From courses in make-up
and dressing to elocution and
walking, we'll help you create
a *femmeself* that fits you perfectly.

We even have weekend getaways and excursions around town.
Want to dress up and go shopping? To the Metropolitan?

No
WONDER YOU FEEL
UNCOMFORTABLE
CROSS DRESSING.
YOUR WIFE'S BRA IS
THE WRONG SIZE.

The ladies room at The Waldorf?
We'll take you every step of
the way.

There's a simple reason
people from all over the world
come to Miss Vera's. No matter
what kind of man you are,
we can make you a better girl.

Cross our hearts.
