

Why suffer from Venus envy? Now you can do something about it.

At Miss Vera's Finishing School, we understand that most men want to share more in the female experience and no one knows that better than a cross-dresser. That is why we designed our curriculum with you in mind. From courses in cosmetology to corsets and consciousness raising, we're here to help you identify your *femmeself*?

Is she a sophisticated career woman? A model? M'lady's maid? Mommy's little girl or a lady of the night...perhaps, all of the above?

We'll encourage you to choose your female role models. Women from Simone de Beauvoir to Madonna, Princess Di,

For
EVERY WOMAN
WHO BURNED
HER BRA, THERE'S
A MAN READY
TO WEAR ONE.

Cher, and Jackie O' have made the students' lists.

At our Manhattan campus, an expert faculty will guide you in one-on-one classes designed to put the clothes in your closet and let the girl out. Extend your studies for a few hours or a few days. We've got a schedule to fit your time and pocketbook.

Come be a part of herstory in the making. The time for your female liberation is NOW.
